The map displays a detailed water supply network in Šardice. It features a complex arrangement of blue lines representing water pipes, with labels such as 'litina DN 100', 'PVC DN 100', and 'litina DN 80'. Numerous buildings are shown as grey polygons, many with numerical identifiers. The map also includes a legend in the top-left corner, a scale bar (20 m) in the bottom-right corner, and a grid of coordinates. The network is composed of various types of pipes and fittings, as indicated by the different line styles and symbols used.
